

## Remaining Federal Tax-Related Deadlines for 2024

Individual Filers - including employees, retirees, self-employed individuals, independent contractors, and gig workers:

- **September 16, 2024** - Third quarter 2024 estimated tax payment due.
- **October 15, 2024** - Deadline to file your extended 2023 tax return. If you chose to file an extension request on your tax return, this is the due date for filing your tax return.
- **December 31, 2024** - Required minimum distribution (RMD) has to be taken for individuals aged 73 or older by the end of 2024. After taking your first RMD (for 2023) by April 1, 2024, if you turned 73 in 2023, you also need to take your 2024 RMD by the end of the year. This is also the deadline if you are otherwise required to take an RMD for 2024.
- **January 15, 2025** - Fourth quarter 2024 estimated tax payment due. This represents the final quarterly estimated tax payment due for 2024. If you choose the option to pay 100% of your previous year's tax liability, any unpaid taxes will be due when you file your 2024 individual tax return by the April 2025 deadline.

Businesses - Partnerships (including LLCs), C-Corps (Form 1120), and S-Corps (Form 1120S):

- **September 16, 2024** - Deadline for extended partnership and S-corporation returns.
- **October 15, 2024** - Deadline for extended C-corporation returns.
- **January 15, 2025** - Fourth quarter 2024 estimated tax payment due.
